

Marketplace Phishing Red Flags

Odd E-Mail Address *info.commmm*

This is a nonsense address,
too many m's.

Phone: Undefined

AKC would have the Customer
service number included.

This Hyperlink is to a form
that lives outside akc.org,
AKC will never direct you
to an outside link.

If I'm logged in, how can
my account be suspended?

Punctuation error:

Note the “ , ” in note 1
and note 2

Bad Grammar:

“...make sure your...”
should be you're;
“...you will be block...”
should be blocked

Threat of Negative Consequences

Phisher is trying to push you
into giving them sensitive
information like your login
